 <p>8 38</p>	<p>The Symbols Divine Union and Communion unite to become Unlimited Joy</p> <p>Unlimited Joy is the tone that underlies the dance of life and unlimited self-expression. As the dance of giving and receiving is acted out of joy, the fields of all concerned expand in the exchange. As all self-expression within the dance of life is sustained in joy, harmony, unity and oneness within the creation become possible.</p>
<p>77 <i>Unlimited Joy</i> <i>Nature: Active</i></p>	
 <p>3 16</p>	<p>The Symbols Power and Magnitude unite to become Unlimited Expansion</p> <p>Unlimited Expansion is the tone that follows the experience of unlimited joy. As all exchanges within the dance of life are based upon joy, unlimited expansion or ascension occurs. Expansion and ascension are related, but not the same. Expansion brings forth the steps that lead to ascension. Expansion causes one to push their field into areas that one's field had previously not extended into, triggering the necessary lessons that result in ascension.</p>
<p>78 <i>Unlimited Expansion</i> <i>Nature: Passive</i></p>	
 <p>45 46</p>	<p>The Underwater Worlds and Land Based Worlds unite to become Unity of All Species</p> <p>Unity of All Species occurs as all species embody unlimited expansion, unlimited joy, and unlimited self-expression within the dance of life. As this occurs, all species are allowed their unique truth and dance upon all planes of reality within a creation. As all species are allowed their truth, all species are also accepted and honored for their unique gift or contribution in service to the whole.</p>
<p>79 <i>Unity of All Species</i> <i>Nature: Integrative</i></p>	
 <p>9 10</p>	<p>The Symbols Unity Consciousness and Nonconditional Governance unite to become Communion of All Species</p> <p>Communion of All Species is a completion tone and therefore holds a combination of all tones 71 through 80 within it. Communion of All Species is the tone that allows all species to live in an ongoing state of communion with one another. When all exist in joy and expansion, communion follows. Communion is a state in which each species is united with the other in an ongoing dance of giving and receiving of energies. The ongoing dance creates the experience of unity, oneness, and belonging within each component of the whole.</p>
